Principal's Message

Dear Parents/Guardians,

Happy New Year! It's hard to believe that we are now in our fifth month of school. An assortment of weather is upon us. Parents are reminded that students need to wear outside clothing (boots, snow pants, winter jackets, hats, mittens etc.) in order to play in the snow. Students play on the pavement when they don't have their winter gear.

The month of December was very busy. The month's activities included Junior Choir performing at the Magnolia, a visit with the Halifax Hurricanes, our annual concert, Christmas bazaar, turkey dinner, and Senior Choir singing at the airport. A special thank you is extended to the PTAG and all other parent/community volunteers who work to make each activity a success! These are memorable events for our whole school community.

It is hard to believe, but we are now collecting names for primary registration for the 2020-2021 school year! If you know of any child who will be starting school in September, please contact the school. Our registration will be held on February 7, with the grade primary orientation day planned for later in the year. See more information in our newsletter for primary registration.

We are getting back to our school routines. Please be sure to get your children here by 8:00 am each day.

Happy New Year,
Tina Knol
Principal
