Principal's Message

Primary Registration took place and we had many new little faces already preparing for their first year of school. If you know of a child who is eligible to start school in September and has not yet registered, please have the parents/guardians contact the school as soon as possible.

It's hard to believe that we are at the end of 2nd term on March 13! Teachers will be finishing up writing and math assessments for our school-wide data as well as all the different ways they assess students to support their growth throughout the term. Soon they will be working hard to pull together all of your child's growth and development over the last term and put that information in the report card.

Our STAC (student advisory council) have been meeting to support our school with improved behaviour in the hallways. They had so many good ideas and we are now doing daily lessons to support improved behaviour. STAC suggested that if our students improved over a two week period, we could do a school-wide movie for the first time. We are working through options but it looks like we may have a celebration on Friday, March 13 if our students continue to show improvement.

Soar with the Four!

Tina Knol
Principal

PTAG Raffle

Gift card raffle tickets (sold and unsold), along with ticket money must be returned on or before Monday, March 9, 2020. Draw date is Wednesday, March 11, 2020.

Thank you to our school community for your support!

NEEDED (SEP 2020)**
www.nsisp.ca/become-host-family

- 3, 5, or 10 month placements
- grades 7-12
- host families receive \$625/month (tax free) to help with cost of hosting
- contact us for more info

 Chignecto Central
Regional Centre for Education

Tips for Helping your Children Arrive to School on Time and Ready to Learn:

- ❖ Students are most able and willing to learn when they have had plenty of sleep. Set a reasonable bed time for your child, and encourage them to start getting ready for bed 30 minutes before bed time. This time to unwind, without screens, is an important routine in establishing good sleep habits.
- ❖ Have a child hand over their technology at bedtime, most need a break from technology by the end of the day. Charging stations can be located in parents/guardians room.
- ❖ Have your child set their alarm clock to make sure everyone gets up on time. Setting an alarm for the bus time is also a good prompt to get out the door on time.
- ❖ Put the bus schedule on the refrigerator, and encourage them to take the bus! Children who take the bus to school have fewer late arrivals.
- ❖ Have clothes, school bags, and lunches ready the night before.
- ❖ Eat breakfast, even a light one. This is a proven way to help with concentration and focus.
- ❖ Communicate with the school and let them know if your child needs to miss school or if you are having a hard time getting your child to school. Ms. Knox, Attendance Support Worker, can help. Contact her at knoxkl@ccrce.ca or call/text - 902-222-0998.
